CONFERENCE APP

iEMSSs 2012 will offer a conference programme app for easy access to a great programme overview with all presentations, both for iPhone and Android. Downloading is included in the conference fee for all iEMSSs 2012 participants. Please note: For technical reasons, only two chairs per session could be mentioned. For more information, please contact the conference desk or take a look at our webpage "Conference Details" (<http://www.iemss.org/sites/iemss2012>).

TECHNICAL INFORMATION FOR GIVING A TALK

Please

- come to the room of the session where you are going to give your talk latest in the break before your session starts. An assistant will help you to save your file to the presentation notebook etc.
- bring your file on a USB stick or CD, please DO NOT bring your own notebook.
- inform us at the soonest in case that you have audio / video / special software included.

Our presentation notebooks provide Office 2010 and Acrobat Reader.

Please note: Within the conference management system the author who's listed first is defined as presenter on site (whereas you could list the authors in your desired order in your PDF full paper).

INTERNET AND WIRELESS LAN ACCESS

Access to the internet is available at the 1st floor of the Leipziger KUBUS in the PC Pool Monday to Wednesday 2:00 pm (July 2–4). Wireless access to the internet is available in all session buildings on the campus with the following SSID:

Name of net: **to be announced at conference**
 Password:

PC POOL

The PC Pool is situated at Kubus, 1st floor (next to the lecture halls 1A, B, CD). Here you may check your e-mails or print your boarding passes and train tickets from Monday to Wednesday (2:00 pm).

CLOAKROOM

There is a cloakroom in the Kubus foyer, however, we accept no liability for items left there. Next to the Kubus cloakroom, there are lockboxes which work with EUR 1 coins (to be returned after use). In most session rooms, coat racks are provided additionally.
